

Wallingford Garden Market 2024 Rules and Regulations

The purpose of the Wallingford Garden Market is to provide quality locally grown and produced agricultural products, prepared foods and limited crafts, for the benefit of both consumers and producers. The Wallingford Garden Market benefits the community by building a “sense of community,” local economic development and preservation of local agriculture.

Garden Market Information:

The location of the Wallingford Garden Market is located at Doolittle Park, 78 S Elm St. Saturdays 10am-1pm, starting May 11th and running through November 16th. 28 Weeks Total!!!!

Application Process:

Every vendor must submit an application. Vendor fees must be received by due dates stated on the application or as agreed with the market supervisor. Participation is solely at the discretion of the market supervisor.

Vendor Spaces – Availability of full-time vendor and part-time spaces are given to the prior year’s roster of vendors in good standing. Guest vendor spaces are filled via selection from annual applications, which are accepted on a rolling basis throughout the Market season. The number of guest vendor spaces each week is determined by a desire to maintain a diverse assortment of product categories. All applications are reviewed by the market supervisor and space is determined by individual market dates. Vendor spaces are 10x10 unless you are a food truck. If you need an additional space, a fee for another 10x10 space will be assessed.

Licenses and Permits:

Each vendor must ensure compliance with all licensing and permitting specified by local health department, and/or the State of Connecticut. Each vendor, not the Wallingford Garden Market, is responsible for following, obtaining, and maintaining the appropriate licenses or permits needed for their business. All produce must be grown in CT by the Vendor. Meats should come from the vendors herd in CT and be processed in a licensed facility. Dairy and Cheese must come from a CT farm when available. Fish and Shellfish must be caught/harvested in CT waters. Prepared foods, baked goods and preserves are expected to source as many local ingredients as possible and make their own products. All baked goods require a CT bakery license or cottage food license. Jams, jellies and syrup must follow state of CT guidelines.

Quality at the Market – Customer expectations are for high-quality products and experiences. Vendors will have high-quality products/ingredients such as minimally processed, healthy products per FDA standards, and a high-quality presentation (clean tent, neat display, clear signage, easy access). All product prices must be clearly marked. Vendors are required to display their business name, and/or farm with a sign so patrons can identify you.

Approval and Termination - The market reserves the right to approve or deny any vendor application at its discretion. If a vendor is approved to participate but cannot operate as a member of the community in good faith, they will be asked to leave. Vendors are expected to behave in a professional and courteous manner at all times. Name calling, yelling, undermining and aggressiveness toward anyone will not be tolerated. Any vendor who challenges the authority of the market supervisor, the park and rec superintendent or other staff member, and who behaves in a rude, violent, threatening, or intimidating manner toward any person at the market may be immediately expelled by the market supervisor. The market supervisor may permanently ban an offender from the market at their sole and unlimited discretion. Vendor concerns should be directed to the market supervisor or the park and rec superintendent. The

market supervisor may take any action it deems necessary to preserve the integrity of the market, including vendor suspension and/or permanent vendor termination. In any of these cases, the vendor fee is non-refundable. It is within the sole discretion of the market supervisor and park and rec superintendent, to determine if a vendor has violated any provision of these rules and regulations or otherwise undermines the operations of the market.

Conduct at the Garden Market - All vendors act as representatives of their own businesses and also of the Wallingford Garden Market and the Town of Wallingford and are expected to act in a professional manner for the entire time at the market. Unprofessional and inappropriate behavior, including misuse of language, yelling, aggressive behavior towards patrons or fellow vendors and general disruption to the market will not be tolerated and may result in immediate removal and termination.

Conduct, continued - The market recognizes and encourages the use of social media to create a vibrant business marketplace and sense of community. It acknowledges that all vendors and staff have the right under the First Amendment, under certain circumstances, to speak out on matters of public concern. However, the market will consider it a violation of the vendor agreement when such use interferes with the good will of the work of the market, its vendors or the Town of Wallingford; is used to harass fellow vendors, market staff, or other members of the community; creates a hostile market atmosphere; harms the goodwill and reputation of the market or the Town of Wallingford; violates the law and/or Market rules.

Complaints and Resolution - Resolving matters pertaining to interpretation of and compliance with the market rules and regulations is within the sole authority of the Market Supervisor and the Park and Rec Superintendent (in absence of the market supervisor). Any complaints between vendors for any matter, must be directed to the Market Supervisor. At no time shall an altercation take place if there is a disagreement.
