VISION STATEMENT

"Our vision is to be the eminent community park and recreation department in Connecticut. To accomplish this, we will develop our programs, services and facilities to meet the diverse and dynamic needs of the community; to promote inclusion, encourage health and wellness, foster human development and enrich the lives of community members through recreation and leisure experiences."

MESSAGE FROM THE DIRECTOR

What's Up Wallingford?

As summer winds down, it's hard to believe how quickly the season has flown by! It has been another fantastic and busy summer here at Wallingford Parks & Recreation, and we're excited to share some of the great things happening in our community.

One of our biggest current projects is the Community Pool, and we're happy to report that construction is making great progress and remains on schedule for a Spring 2027 opening! Concrete has been poured in the pool area, and both locker rooms are up and roofed. We're excited to watch this project take shape and look forward to welcoming everyone to this amazing new community facility next spring.

We're also proud to announce the completion of our new outdoor fitness court at Community Lake. This partnership between Wallingford Parks & Recreation and the Wallingford Health Department was made possible through funding received from the opioid settlement grant, and provides another great opportunity for residents to stay active and enjoy the outdoors right here in Wallingford.

Our summer camp season was another tremendous success! We welcomed more than 130 teens to our Summer Sizzlers travel camp, had 671 registrations across our three playground camp locations, and saw 127 toddler registrations in our preschool camps. A huge thank you goes out to all of our campers, families, counselors, instructors, and staff who helped make the summer so memorable. We couldn't do it without you!

And just because summer is coming to an end doesn't mean the fun has to stop! Fall registration is here and we have plenty of old favorites and exciting new offerings to keep the whole family active and engaged. Be sure to check out favorites like Weber Gannon Youth Basketball and Ski Bums, along with many new programs we think you'll love.

We're also excited to offer a special bus trip to MetLife Stadium to watch the New York Jets take on the New England Patriots. Whether you're a football fan or just looking for a fun day out, this is one you won't want to miss!

Thank you for continuing to make Wallingford Parks & Recreation such an important part of our community. We're proud of everything we've accomplished together and can't wait to see what's next.

See you around Wallingford!

Sincerely,

Kenny Michaels

Director of Parks and Recreation

PROGRAM CANCELLATIONS

- **REGISTER EARLY!** Nothing cancels a good class quicker than everyone waiting until the last minute to register. If there are not enough registrations by a certain date, the course may be cancelled. Coming in on the day the course begins won't resurrect it, so please register early.
- **REGISTRANTS ARE NOTIFIED** when a course is filled or cancelled. If a desired class is full, you will be put on a waiting list. Additional classes may be opened if facility and instructor are available.
- **PROPER ATHLETIC SHOES (NO BLACK SOLES)** must be worn in gym and aerobics room.

• **CHILDREN UNDER 16** are not to be left unattended in the Doherty Rec Center Building.

• **ADDITIONAL MATERIALS AND OR EQUIPMENT** may be required in some programs. Please check the program's descriptions for information on material or other needs. If questions still exist please call the office so we may help you.

• **REGISTRATION EXCEPTIONS?** Children must be the proper age before the program begins. We try our best to accommodate everyone. Programs are designed according to an age level that will best benefit the student and to have an appropriate instructor/student ratio.

• **FEE PAYMENT:** Instructors will not accept registration at the class site. FEES must be paid at the office prior to participation with EXACT CASH OR CHECK. Credit card payments are accepted with online registration through our website wallingfordct.myrec.com. There is a nonrefundable 3% transaction fee for online credit card payments.

• **PHONE REGISTRATIONS:** Sorry, phone registrations are not accepted.

• **CLASS CANCELLATIONS:** When schools have delayed opening in the A.M. classes till noon are cancelled. When the schools are closed, Rec Dept. classes will not meet for the school day from 8a.m. to 4p.m. Evening programs are still on unless otherwise indicated. Evening class cancellations will be made at 4 p.m. Cancellations will be emailed and texted out to our database and posted on our website. You must be opted in to receive cancellation notifications from our email and text blast system. You can call our office during business hours to opt in or go online to www.wallingfordct.myrec.com and change your account settings.

• A.D.A. STATEMENT / INCLUSION POLICY:

The Recreation Dept. intends to comply with the A.D.A. regulations. It is the policy that recreation be "FUN FOR ALL". Participation in many of our non-adaptive programs is possible for those with special needs. We are limited in our ability to provide additional staff, specialized equipment and medical services. To discuss how we can support your abilities, interest and desire to participate please contact our office at (203) 294-2120. Together we can make recreation FUN FOR ALL.

• **SPECTATORS: CHILD PROGRAMS:** One of the fundamental instructional program goals is to provide your child with a fun and positive learning opportunity with their peers while developing separation skills. Parents are encouraged to abide by the observation schedule determined by the program instructor in order to provide the best instructional atmosphere. Please feel free to discuss your child's progress with the instructor either before or after class.

• **NEW TO THE AREA?** The Wallingford Parks & Recreation Department invites you to come in and find out what we have to offer. We have programs, classes and facilities for all ages. Want to learn more? Give us a call at (203) 294-2120. We will be happy to make an appointment at your convenience to show you around and explain any program that is of interest to you. We want to meet you and talk with you and your family.

• **PHOTOGRAPHS:** Participants may be photographed for the purpose of promotion or advertising in future brochures, in newspapers or in other Wallingford Park and Recreation Department media.

OOPS! The Parks & Recreation Staff has made every effort to prepare this brochure as accurately as possible. However due to PUBLICATION DEADLINES program listings/information may require that adjustments be made to programs, fees, schedules, etc. We apologize in advance should you find an error or for any inconvenience these errors or adjustments may cause.

FRIDAY NIGHT SOCIALS 2026-2027

The dance series you know and love is returning—with a brand new name! Welcome to Friday Night Socials (formerly Hip House), bringing you the same fun, music, and excitement as always. The Parks & Recreation Department is thrilled to welcome back all returning 7th and 8th graders, and we're especially excited to invite our new 6th graders to join in on the fun this year. To attend the dances, all students must purchase a Dance Pass, which includes a required photo ID and provides entry to all six dances throughout the season.

If your child is new to the program, the child must be present at registration so their photo can be taken for the ID. Returning participants who already have a 2025–2026 pass can simply bring it in to receive a new sticker—your child does not need to be present for this. **Please note that all returning participants must still register for the 2026–2027 season and pay the registration fee.**

Dance passes will go on sale on July 27th for \$40. Beginning August 24th, the price will increase to \$50, so we encourage families to take advantage of the discounted rate. Passes will not be sold in schools or on the day of the dance, and students will not be permitted to enter without a valid 2026–2027 Dance Pass. All dances will take place from 7:00–9:00 PM. Additionally, due to issues in the past, outside food and drinks will not be allowed.

0118.403 ADAPTIVE KARATE (AGES 7+)

For children with special needs, the benefits of martial arts can be invaluable. Consistency and repetition are key - repetition of the same location, same faces, same curriculum, and knowing what to expect are the process to help them succeed. With continuous structure and fun exercises, even the child with multisensory issues can rise to the occasion. Adding a traditional martial arts program to a child's existing therapies can only assist them in reaching their goals faster. Focus, concentration, balance, tone, awareness, self-regulation, core strength, reduced anxiety, and spatial awareness are just a few of the benefits your child will receive.

Instructor: Lyne Landry and The Institute of Martial Arts Staff

Time: 6:05 - 6:35pm

Date: Wednesdays September 30th - November 18th for 8 weeks

Location: Room 14

Fee: \$55

We want YOU!

We'll paddle the Mattabesset River at an easy pace, taking in the brilliant colors of fall reflected in the water. Along the way, you'll see the fiery reds of silky dogwood, winterberry, Virginia creeper, red, silver, and sugar maples; golden yellows from catalpas, shagbark hickories, and sycamore trees glowing against the oranges of buttonbush and wild grape. This peaceful paddle is the perfect way to celebrate the season and connect with nature from the water's edge.
